// SUMMARY

Creative technologist specializing in AI-integrated media, digital systems, and modern content production. Focused on blending strategy, design, and emerging technology to build scalable creative solutions across web, print, and multi-media production. I can design, build, develop, create, or produce anything that goes on a screen—and I'll do it faster than the person currently overcharging you. Willing to relocate anywhere.

// WORK EXPERIENCE

○ FULL STACK DEVELOPER

Newcastle Flow Advertising | Oklahoma City, OK

May 2026 - Present

- Junior developer on a software project; cross-functional support handling website building, graphic design, and filling in wherever needed.

○ CHIEF CREATIVE OFFICER (CCO)

R3DPILL AI | Oklahoma City, OK

Jan 2026 - Present

- Co-Founder and creative lead directing all brand identity, visual systems, media production, and content strategy.
- Manage the full creative pipeline—from camera to post-production—shaping brand communication across every platform.

○ CREATIVE DIRECTOR

The Brown Group / TB Realty / TB Fit Club | Oklahoma City, OK

Aug 2022 - Jan 2026

- Designed and created visually striking multimedia content for web, social media, and presentations.
- Managed multiple high-stakes projects simultaneously, maintaining strict deadlines and microscopic attention to detail.
- Drove a 38% increase in user engagement by developing interactive, dynamic multimedia elements that encouraged interaction.

CREATIVE DIRECTOR

Revival Marketing / Boxcar Woody / Stockyards City | Oklahoma City, OK

May 2022 - Nov 2022

- Creative oversight of all companies and projects, managing brand creation and brand management.
- Created graphics for web and print, alongside executing social media management and advertising campaigns.

GRAPHIC DESIGNER / PRODUCTION ARTIST

Green Rhino Graphix | Oklahoma City, OK

Nov 2020 - May 2021

- Created graphics for wide-format printing and commercial vinyl wrapping, handling both design and physical installation.

GRAPHIC ARTIST (FREELANCE)

LA Finest | Warr Acres, OK

Jan 2019 - Feb 2021

- Led photography, web development, graphic design, and concept design & development initiatives.

GRAPHIC DESIGNER & PHOTOGRAPHER

The Brown Group | Oklahoma City, OK

Oct 2017 - May 2020

- Designed all graphics for web and print; served as lead residential and lifestyle photographer.
- Produced motion graphics and other marketing methods to promote properties, mentoring, and lifestyle programs.

GRAPHIC DESIGNER

Solum Earth | Norman, OK

Mar 2014 - Sep 2017

- Created custom designs for clients and prepared files and materials for commercial print and production.

EARLY CAREER EXPERIENCE
